

## Immersion RTD with lead wire

### PS MID Type

Technic view

Temperature range	-100°C to +500°C
Sensing element	PT100 / PT500 - 1x2, 1x4 wires
Accuracy	MID Protocol
Standard	EN 60751
Dimensions	Protector Material : 304L or 316L. Other on demand Protector Diameter : 5,75 mm to 6 mm Protector Length (L1) : 50 to 230 mm. Other on demand Cable Length (L) : 2m to 5m. Other on demand
Cable Type	Soft or Rigid with 2, or 4. Section 0,22mm <sup>2</sup> . other on demand
Matériau	Silicone. Other on demand Silicone. Other on demand
Crimping	Double annular
Extension	No
Connection	Wire
Mechanical interface	No
Application Features	MID certification
